Individual classrooms have a structured lesson plan from the curriculum ABC Jesus Loves Me. It includes Bible story and Bible verse memorization. Letterland Curriculum is used to help transition children into Stanly County School's kindergarten curriculum. Children are taught the basics needed for school, such as colors, numbers, shapes, alphabet, phonics and sight recognition at age appropriate levels. Every classroom has a teacher and assistant certified in CPR and First Aid. Background checks are required for employment.

Lunch

Please pack your child a nutritious lunch with items that do not need to be heated. Don't forget to include a drink. Please make lunch disposable.

Parent Involvement Policy

Family support and involvement is very important. There may be times when you are asked to help with a field trip or activities in your child's class. Please check with your child's teacher before sending special treats for any birthdays, holidays, or parties.

Discipline

You will receive a copy of our discipline policy with your registration form. Good behavior is encouraged at all times.

Clothing

Make sure your child has on comfortable clothing and closed toed shoes when he/she comes to preschool. We go outside daily, weather permitting. Please send a jacket when appropriate. Remember to mark all clothing and lunch boxes with your child's name. We ask you to send your child an extra set of clothes in a zip lock bag in case of an accident.

Health Information

A current immunization record is required prior to entering the program in the fall. Please update when shots are given. Every child must have a completed emergency information form on file.

Teachers are not allowed to administer any medication to your child, except in special cases. A medical form must be provided by your doctor and filed at the preschool.

Please do not send your child if they are sick. Children should be free of fever, vomiting, or diarrhea for 72 hours, without medication, prior to returning to school. Please see the Health and safety plan for more information

Observance of Holidays, Teacher Workdays, etc.

We will follow the same calendar year as Stanly County School System observing all teacher workdays, holidays, vacation, inclement weather, and early release days. There will be no tuition credit given for these days.

When Stanly County Schools are closed due to inclement weather, our school will be closed. If Stanly County has a 2 hour delay we will start at 11:00 am. On early release days we will close at 11:00am. You should watch local news coverage, visit our Facebook page, a remind notification will be sent in the event of inclement weather for school closings or delays.

Open House

Our open house will be held virtually on Tuesday, September 8, 2020. This is a good time for your child to see their teachers and find out what their preschool day will look like. Information in parent folders will be discussed and a parent folder will be handed out at time of drop off.

We want to help your child understand God's purpose, plan and love for them. Our desire is to help develop an appreciation for education and a love for learning.

Please contact the director if you have any questions or concerns.

Locust First Baptist Preschool is a non-profit organization and because of that, donations are greatly appreciated. We also try to raise money annually through fundraisers for the betterment of our Preschool facility. All parents/students are requested to participate.
